

## Living Spaces Partners with HGTV Stars and Entrepreneurs Drew and Jonathan Scott to Launch Exclusive Furniture Collection

*Drew & Jonathan Collection Inspired by Family and Diverse Southern California Landscape*

LA MIRADA, Calif., April 11, 2022 — Today, California-based home furnishings retailer, [Living Spaces](#), announces the launch of a new exclusive furniture collection with *HGTV* home design-renovation experts and entrepreneurs, Drew and Jonathan Scott. Casual and elegant, the debut Drew & Jonathan collection is inspired by family — the brothers' own family, as well as families they've helped throughout their careers.

From case goods and rugs to sectionals and dining sets, this 90-piece family-centric line aligns beautifully with Living Spaces' dedication to an exceptional level of taste, sophistication, and quality at an incredible value. The Scott brothers draw from deep experience as a trusted resource to families who have invited them into their homes and a profound ability to elevate the way a home looks and feels.

"Drew and Jonathan's designs are the perfect blend of practicality and personality," says Living Spaces CEO Grover Geiselman. "This timeless collection possesses tremendous style, comfort and quality, and perhaps most importantly, it delivers the Scott brothers' signature wow factor."

Drawing inspiration from the Southern California landscape — from art-deco movie theaters to the San Gabriel Mountains — Drew and Jonathan's designs lend modern style to a classic line at an affordable price point.

Highlights include:

- **"Old Hollywood-Inspired" Staples** – The art deco inspired pieces of the Palladium collection exude glamour, through the [Eastern King Shelter Upholstered Bed](#) (\$1395), [Dining Table](#) (\$950), [Sideboard](#) (\$1095), and more. [The Irvine Nesting Coffee Table](#) (\$895) is a sleek and simple pairing to the [Marmont Leather Sofa](#) (\$1,495).
- **"Laid-Back California" Must-Haves** – The new collection features casual, coastal bedroom, living, and dining room sets through the Westridge collection. For a restful bedroom retreat, Drew and Jonathan created the [Westridge Eastern King Panel Bed](#) (\$1095), [Gentlemen's Chest](#) (\$1595) and more. For living and dining rooms, the Westridge collection features the same quartered oak veneer in a [6pc Dining Set](#) (\$1995), [Bar Cart](#) (\$495) and more for all your entertaining needs.
- **Accent Chairs** – The [Alta Chalk Accent Chair](#) (\$895) and [Holden Grey Accent Chair](#) (\$795) are the perfect additions to any room to add character and unmatched comfort.
- **Rugs + Art Prints** – For the finishing touches to your space, the Drew and Jonathan for Living Spaces collection features a wide range of art prints and 10 exclusive rug designs in a variety of sizes, including the [Caliente Dim Grey Rug](#) (\$595-\$1,495)

"We are very proud of this collection, which is inspired by the rich and diverse landscape of Southern California where we call home," says Drew Scott. "The look and feel of this collection reflect our beautiful surroundings, ranging from the tranquil coast to the striking mountains and to the vibrant art deco architecture downtown that evokes old Hollywood glamour. Your home should be a representation of you and what you love, and our collection will enhance your home with quality designs with lasting style."

Function, of course, does not overshadow form. For example, the [Culver Sectional](#)'s black nickel-finished legs lend a sleek look to a remarkably cushy sofa. In terms of versatility, the velvety [Falcon Chair](#) rivals the sectional. "It's the best chair for reading, watching a movie, or even late-night chats with loved ones," says Jonathan Scott. "It encourages relaxation, which we're all for. Our comfortable and functional collection balances stylish design with a warm and inviting look for everyone to enjoy."

Shaped by family experience, the entire collection exudes a welcoming sense of spaciousness and inclusion. According to the Scott brothers, the opportunity to join forces with Living Spaces is a way to help families across the country create joyous gathering places in their own homes. As Jonathan Scott puts it, “Drew & Jonathan for Living Spaces is an invitation for the whole family to join in.”
